How €4 divides equally into 200,000! Special introductory offer

SPONSORSHIP

Check out details of our Sponsorship package that includes:

- Personalised branding of your business on a dedicated daily three hour programme of your choice
- Company mentions on all the intro's and outro's to commercial breaks during the programme
- Two professionally produced 30 second commercials transmitted during the sponsored programme
- The programme presenter will reference the sponsor once per hour during each programme
- Programme sponsors are also given the opportunity to periodically run competitions by email or post which will further enhance the sponsorship package

SPOT ADVERTISING

- Sign up to our 100 spot package per month offer before August 31st 2008 and avail of an incredible offer of just €4 per slot
- Your advertisements will be professionally scripted and produced by Midwest Irish Radio for transmission
- Your advertisements will be creative with emphasis on making your business sound uniquely Irish!
- Your spots will feature on all mainstream programmes at prime times to insure you get the best possible coverage worldwide
- All spots are based on 30 second adverts, which will give your business ample time to deliver your important message to approximately 200,000 listeners

All of this is available for an incredible €30 per show with a minimum commitment of just 3 months.

Full terms and conditions are available on request. Programme sponsorships are allocated on a first-come first-served basis. Other advertising packages are available on request and can be tailor-made to suit your pocket and your budget, so don't be afraid to ask!
